IEEE Computer Society Symposium on Security and Privacy Workshops Report 2018

Gabriela F. Ciocarlie

SRI International

2018 Workshops

- Six total workshops – 1 new one; one day of workshops
- Competitive process mediated by the Steering Committee

- Leveraged SP2018 OC capabilities for most logistics:
  - A/V contract, hotel contract
  - Student travel awards
  - Donation handling, treasurer
  - Registration, publicity platforms

2018 S&P Workshop Committees

- Workshops Chair
  - Gabriela Ciocarlie, SRI International
- Workshop Publications Chair
  - Bogdan Copos, SRI International

- Steering Committee
  - Terry Benzel
  - Rob Cunningham
  - Sven Dietrich
  - Deborah Frincke
  - Cynthia Irvine

2018 S&P Workshops

- ConPro
  - Workshop on Technology and Consumer Protection (Returning workshop)

    - Joseph Calandrino (Federal Trade Commission)

    - Arvind Narayanan (Princeton University)

2018 S&P Workshops

- DLS
  - Deep Learning and Security Workshop (New Workshop)

    - Nikolaos Vasiloglou (Symantec Center for Advanced Machine Learning)
    - Roberto Perdisci (University of Georgia and Georgia Tech)

2018 S&P Workshops

- SADFE
  - Workshop on Systematic Approaches to Digital Forensics Engineering (Returning Workshop)

    - Glenn S. Dardick (Embry-Riddle Aeronautical University)
    - Ping Ji (John Jay College of Criminal Justice at City University of New York)
    - Michael Losavio (University of Louisville)
    - Antonio Maña (University of Malaga)

2018 S&P Workshops

- WRIT
  - Workshop on Research for Insider Threats (Returning Workshop)

    - William Claycomb (CMU/CERT)
    - Frank L. Greitzer (PsyberAnalytix)
    - Christian W. Probst (Technical University of Denmark)

2018 S&P Workshops

- BioStar
  - Workshop on Bio-inspired Security, Trust, Assurance and Resilience (Returning Workshop)

    – Wojciech Mazurczyk (Warsaw University of Technology, Poland)

    – Errin W. Fulp (Wake Forest University)

    – Mohamed Eltoweissy (Virginia Military Institute)

    – Kenji Leibnitz (National Institute of Information and Communications Technology, Japan)

    - Nina Fefferman (University of Tennessee, Knoxville, USA)

2018 S&P Workshops

- LangSec
  - Workshop on Language Theoretic Security (Returning Workshop)

    – Sergey Bratus (Dartmouth College)
    – Michael E. Locasto (SRI)
    – Meredith L. Patterson (Mautinoa Technologies / Upstanding Hackers, Inc.)
    – Anna Shubina (Dartmouth College)

Approximate Attendance

- ConPro: 52
- DLS: 153
- SADFE: 23
- WRIT: 26
- BioStar: 16
- LangSec: 43

- Member: 104
- Non member: 110
- Student member: 49
- Student non-member: 30
