Goals for 2019 Symposium

- Showcase the 84 paper program the PC selected
  - Parallel tracks gave authors appropriate time

- Celebrate the 40th
  - Thematic, week-long, inclusive, no extra fees, fits into the program

- Maintain high-value activities:

  - Speed mentoring — moved earlier / make connections earlier in the week

  - Video recording the symposium

  - Leverage paid, professional support

Overall Successes for 2019

- Registration fees not increased

- Continued $100 discount on reg fees to encourage using hotel
  - Hotel block sold-out

- Record donations ($196k)
  - $119.5k to the symposium + $76.5k to student travel program

- Registration (as of May 20)
  - Number of symposium attendees: 683
  - Total attendees: 739
  - Registration income: $708,229
  - Note: income per attendee lower than in prior years

Overall Successes for 2019

- 40th Celebration:
  - Special Badging, Special Logo, Scavenger Hunt
  - Plenary session with special panel
  - First ever Test of Time Awards
- "Talk Previews" to help advertise the technical program
- Created Awards Chair position
- Transition to a new registration provider
  - Our old provider ended its services
  - Archived all our old data
- "Code Steward" positions
  - volunteers for Code of Conduct issue handling
  - Conference growth = naïve to treat issue response as a 1-person job
  - Created a system and documentation others may be able to replicate
