

30th Anniversary

IEEE SYMPOSIUM on SECURITY & PRIVACY

Research Conference, May 17-19

Opening Reception, May 16

The Claremont Hotel, Berkeley/Oakland California

Gala Dinner, May 17

Pauley Ballroom, UC Berkeley Campus

The “Oakland” conference will have a superb technical program. This year there will be 31 outstanding papers, as is appropriate for the 31st gathering of the finest in research into Security and Privacy.

The 31st meeting will be celebrated with a 30th Anniversary Awards Dinner. Join us for an entertaining evening of retrospection and comedy on the evening of May 17th at the Pauley Ballroom on the UC Berkeley campus. The NIST Computer System Security Award and others will be announced during this gala event. Guests are welcome!

Registration for the conference and dinner are available through our websites. See www.ieee-security.org for links.

Come for the research, get the proceedings and the DVD with a library of research papers, come for the dinner, come to see friends from the conference’s history, but don’t miss Oakland’s 30th birthday!
